

## Adoption from Foster Care

**Campaign Sponsor:** Children’s Bureau; AdoptUSKids  
**Volunteer Advertising Agency:** KBS

### BACKGROUND:

Since 2003, the Ad Council has partnered with the Children’s Bureau and AdoptUSKids on a national adoption recruitment campaign to encourage the adoption of children from foster care. PSAs have been developed with a specific annual focus including, teens, Spanish-language, sibling groups, and children 8 and older. The consistent tag line, “You don’t have to be perfect to be a perfect parent,” has been used to communicate a humorous angle to the seemingly challenging task of adopting a child from foster care, reassuring prospective parents that even if not ‘perfect,’ they have the ability to provide the stability and security that children in foster care need and deserve.

### CAMPAIGN OBJECTIVES:

The goals of the campaign are to:

- Encourage the adoption of children from the US foster care system and to increase the number of potential families inquiring about adoption.
- Call to Action: Visit [adoptuskids.org](http://adoptuskids.org) or call 888-200-4005 for current, accurate information about the foster care system and the adoption process.

### CAMPAIGN DESCRIPTION:

The latest PSAs in this award-winning campaign ask prospective parents to consider adopting older teens in foster care. The new PSAs portray lighthearted scenarios that echo the campaign’s notion that “when it comes to parenting, there are no perfect answers.” The PSAs reveal this message through relatable bonding moments when parents explore creative “multiple choice” solutions to parenting challenges, such as a father helping his daughter improve her grades in French class, and a mother with a cat allergy trying to accommodate her son’s request for a family pet. These new humorous PSAs reassure potential parents that teens in foster care don’t need perfection; they need the commitment and love a permanent family can provide.

### TARGET AUDIENCE:

Prospective parents who are considering adopting from foster care but who have not yet started the process.

### DID YOU KNOW?

- There are 428,000 children in the US foster care system
- There are 112,000 children in the US foster care system awaiting adoption
